**TIME TO TRANSFORM YOUR LUNCH BREAK!**

**Amsterdam, the Netherlands** – Bored of overpriced ham-and-cheese sandwiches and packet soups from the canteen? If your workplace has a surface big enough to fit a chopping board, and perhaps a kettle or toaster at best, *Vicky Hampton's Working Lunch* is here to help. Amsterdam Foodie and Uitgeverij Mooi Media are proud to announce the launch of this inspiring little cookbook, just in time for the holiday season!

*Vicky Hampton's Working Lunch* is for people who are keen to make healthy, simple lunches, but who don't have the time to spend hours in the kitchen. This compact cookbook features some 50 easy lunch recipes covering everything from fresh, vibrant salads to cool, summery soups, and from spicy couscous to pimped-up sandwiches.

The book is priced at €21.50 and is available online on [Amazon.co.uk](http://Amazon.co.uk), [bol.com](http://bol.com) and via the publisher's [web shop](#). Ideal for those who work at international companies – making a great corporate gift for employees – the book is written in easy, accessible English, with the inimitable tone of voice of the Amsterdam Foodie.
